

Technology, Education, Research and Rehabilitation for the Environment
Leading platform for development through Alternate Path

Date: 16/08/2021

To,

The Concern Authority,

Subject: Request to conduct TERRE Olympiad (An environmental theme based online quiz competition) in your school.

Dear Sir,

TERRE Policy Centre is a non-profit organization based in India, dedicated to sustainable solutions to our developmental imperatives. We undertake various initiatives and projects for environmental education and awareness among the society.

Since 2015, we are conducting an online national level quiz competition called **TERRE Olympiad**, exam is conducted for 5th standard to undergraduate students, which is based on environment, forest, wildlife, climate change and other environmental issues. The exam aims to aware our future generations regarding our environment and its important. This is a 7th edition of TERRE Olympiad.

The exam is divided in three category such as Sapling (5th to 9th), Plant (10th to 12th) & Tree (Undergraduate) students. Exam can be attended in 3 different languages such as English, Hindi, and Marathi at national level. Exam will be conducted in two rounds where the number of final winners under Sapling and Plant category will be awarded with electronic gadgets like laptop, tab and hard disk, Scientific Calculator, pen drive etc and top 5 winner under Tree category will receive the internship opportunity in top MNC or a field trip to Indian Sanctuary or National Park.

Consolation prize - for top 1000 runner-up

Top three schools or colleges in each category will be awarded with a rolling trophy and certificate. All the top winners will be awarded at National platform..

School and College can involve this competition in their extracurricular activities by providing 5 external mark for encouraging the students to get aware by participating in this Olympiad.
